COVENANT TO RESTRICT USE OF PROPERTY
ENVIRONMENTAL RESTRICTION

This Covenant and Agreement ("Covenant") is made by and between the Trustee for the Victor Muscat Trusts (the "Covenantor"), to the extent of the Trusts' ownership interests, if any, in property situated in Chico, County of Butte, State of California, at 365 and 395 East 20th Street, Chico, described as Assessor Parcel Numbers 005-240-002-000, 005-480-078-000 and 005-480-068-000 (the "Property"), and the Department of Toxic Substances Control (the "Department"). Pursuant to Civil Code section 1471, the Department has determined that this Covenant is reasonably necessary to protect present or future human health or safety or the environment as a result of the presence of hazardous materials as defined in California Health and Safety Code ("H&SC") section 25260. The Covenantor and the Department, collectively referred to as the "Parties", therefore intend that the use of the Property be restricted as set forth in this Covenant, in order to protect human health, safety and the environment.

ARTICLE I
STATEMENT OF FACTS

1.01. The Property. The Property, totaling approximately 4.11 acres is more particularly described and depicted in Exhibit "A," attached hereto and incorporated herein by this reference. The Property is located in the area now generally bounded by East 20th Street on the northwest, Fair Street on the east and extends beyond Pavis Court on the southwest, County of Butte, State of California. This Property is more specifically described as Butte County Assessor's Parcel Numbers 005-240-002-000, 005-480-078-000 and 005-480-068-000.

1.02. Site History. Between 1906 and 1951, the Property was part of a railroad yard owned and operated by the Chico Electric Railway and later the Sacramento Northern Railroad Company. The yard was used to build and maintain rail cars, electric motors, and electric locomotives and to scrap rolling stock. Heavy metals may have been released to the soil by the operation of the railroad yard. Between 1958 and 1985, an aluminum tube and can manufacturing business operated on the Property. That business used several volatile organic solvents, including trichloroethylene (TCE) and later tetrachloroethylene (PCE). Used solvent was reportedly disposed of on the Property.

1.03. Hazardous Substances Present. The Property is a portion of a site being investigated and remediated for contamination by hazardous substances. The full extent of contamination and the final remedial actions that will be required for the Property and other areas of the site have not yet been determined. However, because hazardous materials, as defined in H&SC section 25260, including arsenic, PCE, TCE and their hazardous substance breakdown products, have been detected in the soil at the Property and in the groundwater in and under the Property, the Department concludes that a land use covenant is required for the Property.

ARTICLE II DEFINITIONS

2.01. Department. "Department" means the California Department of Toxic Substances Control and includes its successor entities, if any.

2.02. Owner. "Owner" means anyone who at any time holds title to all or any portion of the Property.

2.03. Occupant. "Occupant" means any Owner and any person or entity entitled by ownership, leasehold, or other legal relationship to the right to occupy any portion of the Property.

ARTICLE III GENERAL PROVISIONS

3.01. Restrictions to Run with the Land. This Covenant sets forth protective provisions, covenants, restrictions, and conditions (collectively referred to as "Restrictions"), subject to which the Property and every portion thereof shall be improved, held, used, occupied, leased, sold, hypothecated, encumbered, and/or conveyed. Each and every Restriction:

- (a) Runs with the land pursuant to H&SC section 25355.5 (a)(1)(C) and California Civil Code Section 1471;
- (b) Inures to the benefit of and passes with each and every portion of the Property;
- (c) Applies to and binds the successors in interest to the Property;
- (d) Is for the benefit of and enforceable by the Department; and

(e) Is imposed upon the entire Property unless expressly stated as applicable only to a specific portion thereof.

3.02. Binding upon Owners/Occupants. Pursuant to H&SC section 25355.5(a)(1)(C), this Covenant binds all owners of the Property, their heirs, successors, and assignees, and the agents, employees, and lessees of the owners, heirs, successors, and assignees. Pursuant to Civil Code section 1471, all successive owners of the Property are expressly bound hereby for the benefit of the Department.

3.03. Written Notice of Release of Hazardous Substances. Prior to the sale, lease or sublease of the Property, the owner, lessor, or sublessor shall give the buyer, lessee, or sublessee notice that hazardous substances are located on or beneath the Property, as required by H&SC section 25359.7.

3.04. Incorporation into Deeds and Leases. The Restrictions set forth herein shall be incorporated by reference in each and all deeds and leases for any portion of the Property.

3.05. Conveyance of Property. The Owner shall provide notice to the Department not later than thirty (30) days after any conveyance of any ownership interest in the Property (excluding mortgages, liens, and other non-possessory encumbrances). The Department shall not, by reason of this Covenant, have authority to approve, disapprove, or otherwise affect a proposed conveyance, except as otherwise provided by law, by administrative order, by agreement, or by a specific provision of this Covenant.

ARTICLE IV RESTRICTIONS

4.01. Prohibited Uses. The Property shall not be used for any of the following purposes:

- (a) A residence, including any mobile home or factory built housing, constructed or installed for use as residential human habitation.
- (b) A hospital for humans.
- (c) A public or private school for persons under 21 years of age.
- (d) A day care center for children.

4.02. Soil Management.

- (a) No activities that will disturb the soil (e.g., excavation, grading, removal, trenching, filling, earth movement or mining) shall be allowed on the Property without a Soil Management Plan and a Health and Safety Plan approved by the Department.
- (b) Any excavated, contaminated soils shall be managed in accordance with all applicable provisions of state and federal law.

- (c) The Owner shall provide the Department written notice at least fourteen (14) days prior to any building, filling, grading, mining or excavating in the Property.
- (d) The Owner or Occupant shall provide the Department written notice of any damage to any monitoring wells located on the Property. If such damage is caused by or legally attributable to the Owner or Occupant, the Owner or Occupant shall repair it immediately.
- (e) The Owner or Occupant shall provide the Department written notice regarding any observation of possible environmental contamination associated with past or present activities on the Property within fourteen (14) days of the event or observation.

4.03. Prohibited Activities. The following activities are specifically prohibited, without prior written approval from the Department:

- (a) Raising of food (cattle, food crops, etc.);
- (b) Drilling for water, oil, or gas without prior written approval by the Department.
- (c) Extraction of groundwater for purposes other than site remediation or construction dewatering.

4.04. Access for Department. The Department shall have reasonable right of entry and access to the Property for inspection, monitoring, investigation and other activities consistent with the purposes of this Covenant as deemed necessary by the Department in order to protect the public health and safety.

ARTICLE V ENFORCEMENT

5.01. Enforcement. Enforcement. Failure of the Covenantors or Owner to comply with any of the Restrictions specifically applicable to it shall be grounds for the Department to require that the Covenantors or Owner modify or remove any Improvements ("Improvements" herein shall mean all buildings, roads, driveways, and paved parking areas) constructed or placed upon any portion of the Property in violation of the Restrictions. Violation of this Covenant shall be grounds for the Department to file civil or criminal actions as provided by law.

ARTICLE VI VARIANCE, TERMINATION, AND TERM

6.01. Variance. The Covenantor, or any other aggrieved person, may apply to the Department for a written variance from the provisions of this Covenant. Such application shall be made in accordance with H&SC section 25233 or any successor provisions.

6.02. Termination. The Covenantor, or any other aggrieved person, may apply to the Department for a termination of the Restrictions or other terms of this Covenant as they apply to all or any portion of the Property. Such application shall be made in accordance with H&SC section 25234 or any successor provision.

6.03. Term. Unless ended in accordance with the Termination paragraph above, by law, or by the Department in the exercise of its discretion, this Covenant shall continue in effect in perpetuity.

ARTICLE VII MISCELLANEOUS

7.01. No Dedication Intended. Nothing set forth in this Covenant shall be construed to be a gift or dedication, or offer of a gift or dedication, of the Property, or any portion thereof to the general public or anyone else for any purpose whatsoever.

7.02. Department References. All references to the Department include successor agencies and departments, or any other successor entities.

7.03. Recordation. DTSC shall record this Covenant, with all referenced Exhibits, in the County of Butte within a reasonable time after receipt of a fully executed original.

7.04. Notices. Whenever any person gives or serves any Notice ("Notice" as used herein includes any demand or other communication with respect to this Covenant), each such Notice shall be in writing and shall be deemed effective: (1) when delivered, if personally delivered to the person being served or to an officer of a corporate party being served, or (2) three (3) business days after deposit in the mail, if mailed by United States mail, postage paid, certified, return receipt requested:

Any party may change its address or the individual to whose attention a Notice is to be sent by giving written Notice in compliance with this paragraph.

7.05. Partial Invalidity. If any portion of the Restrictions or other term set forth herein is determined by a court of competent jurisdiction to be invalid for any reason, the surviving portions of this Covenant shall remain in full force and effect as if such portion found invalid had not been included herein.

7.06. Statutory References. All statutory references include successor provisions.

IN WITNESS WHEREOF, the Parties execute this Covenant.
